Discover your personal style with MG3 and explore over one million possible combinations. Configure your car, your way at www.mg.co.uk.

Step one. Choose your specification from our affordable, yet spec heavy trim lines. The MG3 is available in four trim lines, with the top of the range, 3STYLE priced at only £9,999, moving down to the entry level trim; 3TIME, for just £8,399.

Entry level 3TIME costs just £8,399 and features a CD player with MP3 compatibility, LED daytime running lights, hill hold control and a sporty VTi 106 PS petrol engine as standard. Next is 3FORM, available for £9,299 with 3TIME specification, plus Bluetooth and Audio streaming, DAB radio and Climate control. For those customers who prefer a sportier look the 3FORM SPORT is available for £9,549 and adds 16" "Carousel" Alloy Wheels and sporty Side skirts to its already impressive kit list. At the top of the range is the 3STYLE which takes things one step further with 16" "Diamond cut" Alloy wheels, reverse parking sensors, cruise control and automatic lights and windscreen wipers for only £9,999.

Step two. Choose from ten colour options your colour, and your MG3 will be more than just a pigment of your imagination. Metallic paint is an optional extra but for only an additional £395 anyone can afford to dream in colour.

Step three. Choose from one of our stylish exterior graphic packs available for roof, body and bonnet. Show your patriotic side with 'Hope and Glory', or go sporty with 'Sebring Stripe' or just simply 'Burst' with excitement. Available from just £199 factory fitted.

Step four. With a range of contrasting mirror cap colours and wheel options available, test your accessorising skills and finish off your MG3 exterior in style. Are you a 16" 'Diamond cut' above the rest or do the colourful mirror caps leave you 'tickled pink'?

Step five. Get connected and choose the infotainment system that's right for you. MG3 is iPhone, smartphone and sat nav ready with a selection of docking solutions available. Personalise your personal space with coloured interior packages, or add TECH part leather for only an additional £500.*

Step six. The design might end there but the desire won't with a range of warranty and servicing packages created to ensure you drive away happy. Three year warranty is included as standard but this can be extended to suit your needs, up to five years and 100,000 miles. Three years servicing is also available for only an additional £550, including parts, labour and VAT.

Once you've configured your perfect MG3 use the links provided to share with friends or take things further and find your local retailer for a test drive. No retailer in your area? No problem, MG2U brings an MG3 to your door. Find out more at www.mg.co.uk/MG2U.

About MG Motor

For almost 90 years MG has become famous for building distinctive, British small cars at a remarkably affordable price. The MG3 is the new, small modern MG that brings style and fun to a new generation. Today, MG is owned by the SAIC Motor Corporation, rated 103rd in the Fortune 500.

Modern MGs are still designed, engineered and finally assembled at our historic home in Longbridge, Birmingham and the MG3 is no exception- giving a fresh twist on the innovation, sporty performance and statement style that first made the MG badge famous.

Finance available

All model lines are available on PCP for just £99 a month or on zero, 10, 20% or more deposits. A 31% deposit of just £2,605 secures a 3TIME for £99 per month, increasing to a 38% deposit of £4,171, required to take home a 3STYLE for the same low monthly amount.

Customers who do not have a deposit to put down can still benefit from fantastic value for money offers. 3TIME is available for 35 monthly payments of just £181.14 with zero deposit increasing across the range up to 3STYLE, available for £218.80.
