MG is thrilled to announce the eagerly awaited finance plans for their latest model, the affordable, fun, MG3. If your deposit is big, small or nothing at all, there is an offer to suit all budgets. All specifications are available on PCP for just £99 a month or with zero deposits.

The MG3 is available in four specifications, with the top of the range, 3STYLE priced at only £9,999, down to the entry level, 3TIME, for just £8,399. The affordability continues with an insurance group rating of just 4E on all MG3.

Entry level 3TIME costs just £8,399 and features a CD player with MP3 compatibility, LED daytime running lights, hill hold control and a sporty VTi 106 PS petrol engine as standard. Next is the 3FORM, available for £9,299 with MG3 TIME specification, plus Bluetooth and Audio streaming, DAB radio and Climate control. For those customers who prefer a sportier look the 3FORM SPORT is available at £9,549 and adds 16" "Carousel" Alloy Wheels and sporty Side skirts to its already impressive kit list. At the top of the range is the 3STYLE which takes things one step further with 16" "Diamond cut" Alloy wheels, reverse parking sensors, cruise control and automatic lights and windscreen wipers for only £9,999.

After you've chosen your trim level, go personal with over one million personalisation possibilities. Our exterior and interior personalisation options are attractively priced so you can be confident that whatever you choose is always within budget.

All model lines are available on PCP for just £99 a month or on zero, 10, 20% or more deposits. A deposit of just £2,605 (31%) secures an entry level 3TIME for this low monthly payment, increasing to a deposit of £4,171, (38%) required to take home a top of the range 3STYLE for the same low monthly amount.

Customers who do not have a deposit to put down can still benefit from fantastic value for money offers. 3TIME is available for 35 monthly payments of just £181.14 with zero deposit increasing across the range up to 3STYLE, available for £218.80.

Once the 35 months are up, there are three options available. Pay the final payment and your MG3 is completely yours, return the car or trade in your MG3 for a newer model.

Other offers across the range include 0% VAT on MG6 models until 30 September 2013; including the DTi-Tech Diesel with stop-start technology, our race inspired BTCC edition, and the fully loaded MG6 Magnette.
