

MG ZS HYBRID+

THE MG ZS HYBRID+

HAVE IT ALL

With a perfect blend of advanced technology, spacious design, and a refined driving experience, the MG ZS Hybrid+ has it all.

Enjoy the best of both worlds with the flexibility of pure electric driving and the reassurance of petrol power, seamlessly switching between modes for the most efficient drive.

Whether it's a trip away or ferrying the family around, the MG ZS Hybrid+ is ready for any journey. And with no need to plug in to charge, you can set off whenever you please.

A smooth drive, smart design, low running costs, agile looks ... now you really can have it all.

Packed with features for a smarter drive

The MG ZS Hybrid+ comes loaded with intelligent technology, including the MG Pilot Safety Systems and MG iSMART app connectivity, ensuring every drive is as connected and safe as possible.

With its smooth performance, stylish design, low running costs, and spacious interior, the MG ZS Hybrid+ delivers a complete package that's hard to beat. Plus, it all comes with the reassurance of our 7-year warranty.

MADE TO GIVE YOU MORE

Everything about the new MG ZS Hybrid+ is designed to make each journey a joy.

Practical comfort

The new MG ZS Hybrid+ gives you plenty of room to breathe. With a stylish and contemporary cabin, and up to 1,457 litres of boot space, it has more room for your family, luggage, or a set of golf clubs. Perfect for day-to-day living or a trip up the motorway for a well-earned break.

Effortless performance

The innovative hybrid powertrain works seamlessly to give low fuel consumption, low CO₂ emissions and class-leading power and performance. Not to mention a quiet, comfortable drive every time.

Advanced technology

The MG ZS Hybrid+ is loaded with intelligent technology to enhance your driving experience. Be safer with the latest MG Pilot driver assistance, be informed with MG iSMART, and be in total control with the upgraded 12.3" touchscreen.

A BOLD NEW LOOK

The bold new styling of the new MG ZS Hybrid+ builds on the distinctive new design language of the MG3 Hybrid+ and the MG HS range.

The flawless lines and long wheelbase create an air of effortless confidence. The wider front grille, rear spoiler and slim LED headlamps add bold aesthetic flourishes.

Meanwhile, the elegantly balanced body rests on 18* alloy wheels, designed to enhance aerodynamics as well as looks.

*17" alloy wheels on 'SE models

A MORE REFINED INTERIOR

Discover the refined interior of the MG ZS Hybrid+

Inside the sleek profile of the MG ZS Hybrid+, you'll discover intelligently crafted new features - such as the wing style drive selector and a heated steering wheel*, working alongside the heated seats for added comfort on cold mornings.

At the heart of the sophisticated interior are leather-style heated front seats* that give you 6-way electric adjustability**. You're also surrounded by high-gloss panels and chrome detailing, while the multi-functional soft-touch steering wheel invites you to take control.

*Leather-style heated front seats and heated steering wheel are only available on Trophy **6-way electric adjustable seat is for driver (Trophy only) 4-way adjustable seat for passenger

PLENTY OF STORAGE

Family breaks and other long journeys are now even more enjoyable with the exceptional boot space of the MG ZS Hybrid+.

Open the boot and you have 443 litres of space, increasing to a total of 1,457 litres with the rear seats folded. Ideal for the weekly shop, family luggage, or even a mountain bike.

All this comes with smart storage solutions throughout the cabin. Including an adjustable cup holder and an armrest tray at the front that both flex for the perfect fit.

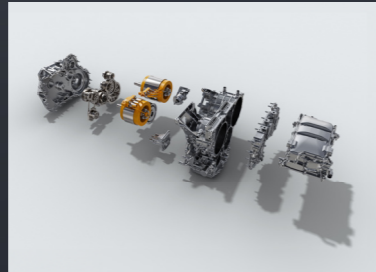

SMARTER HYBRID POWER

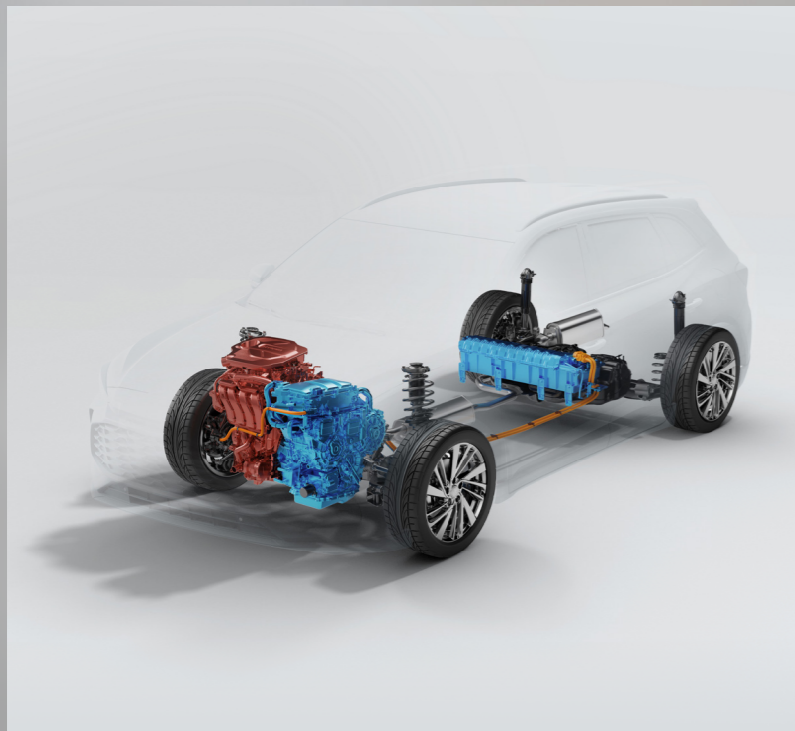

The new MG ZS Hybrid+ brings together leading engine technologies to deliver best-in-class performance and exceptional fuel economy.

The advanced hybrid powertrain gives you five operating levels which switch automatically for optimum performance depending on your journey. Whether you're on the school run or heading out-of-town for the weekend, your engine adapts to give you an effortless drive every time.

Better for the environment and your running costs

In the MG ZS Hybrid+, you'll shrink your carbon footprint by using fewer fossil fuels - and create zero tailpipe emissions in fully electric mode. You'll spend less money at the pump too. And lower emissions mean you also spend less money on road tax, compared to conventional petrol and diesel cars.

DRIVING WITH A BIG PLUS

Here's how our advanced Hybrid+ system gives you a better drive on so many levels.

Performance

The 100kW electric motor and 75kW combustion engine deliver more power as well as seamless electric torque at city speeds, perfect for school runs. Giving you ultra-refined performance without having a negative impact on fuel economy and emissions.

Low emissions

With just 115g/km of CO₂, your emissions are far lower than a comparable petrol car – and you could save on tax and low-emission zone fees. The MG ZS Hybrid+ also keeps things low when it comes to running costs, with combined fuel consumption of 55.4MPG.

Ultra-efficient

The MG ZS Hybrid+ is designed to leave the rest behind. It's one of the most efficient hybrid models in its class, thanks to the quick-response motor and 3-speed hybrid transmission.

Smooth

The MG ZS Hybrid+ gives you the instant response and effortless acceleration of a fully electric vehicle. Thanks to the high-capacity 1.83kWh battery, you can feel more EV more of the time. When it comes to town driving, for example, being in EV mode transforms stop-start traffic into a smooth, stress-free experience.

A WORLD OF TECHNOLOGY

Technology is smartest when it puts people at its centre. In the MG ZS Hybrid+, you'll find all the controls and information you need at your fingertips.

12.3" screen

The hub of your intelligent cabin is a new 12.3" HD infotainment screen. With an intuitive design, you can access everything from sat-nav directions to your favourite music while driving safely. Apple CarPlay™, Android Auto™, Bluetooth, DAB radio and more...it's all there with a tap.

360° camera*

Parking spots and narrow streets are no hassle with four HD wide cameras to give you an all-round view. Meanwhile, ultrasonic radar warns you about obstructions, and Dynamic Reversing Assist helps you park at the perfect angle.

*Only available on Trophy model

7" display

The highly intuitive 7" HD virtual cluster displays clear, concise driving information – and enables you to switch between 3 driving modes - while making it easy to control your phone, music and other infotainment.

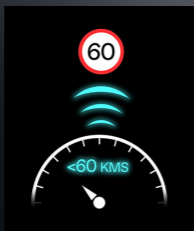

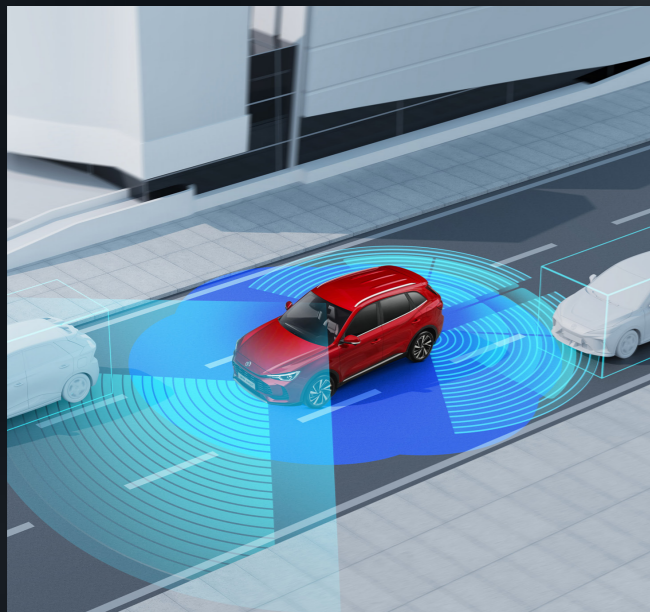

Apple CarPlay™ and Android Auto™

Apple CarPlay™ and Android Auto™ in the MG ZS Hybrid+ effortlessly connects your smartphone to the vehicle. Enjoy convenient access to navigation, music, news, and weather, all through the MG ZS Hybrid+ interface designed to deliver a smooth and responsive experience making every drive enjoyable and safe.

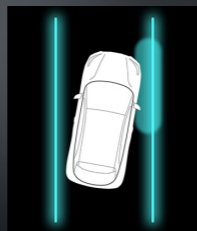

MG PILOT

The MG Pilot suite of high-tech driver assistance technology gives you added confidence on the road.

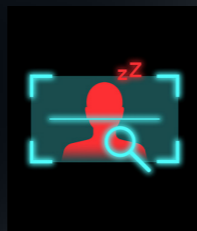

Intelligent Speed Limit Assist

Lane Keep Assist (LKA)

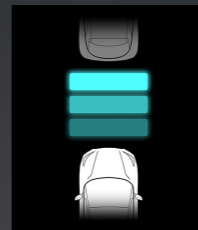

Traffic Sign Recognition

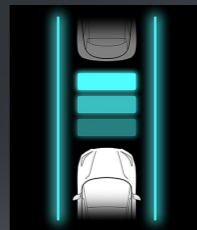

Drive Attention Alert

Cruise control features

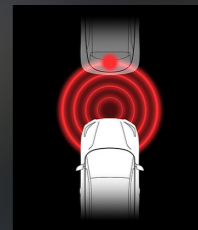

Adaptive Cruise Control (ACC)

Rear driving assistance

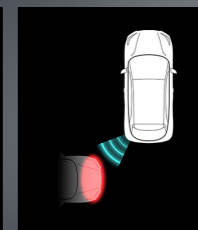

Rear Driving Assist

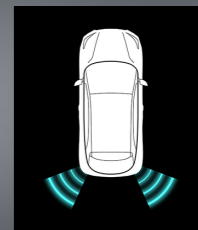

Rear driving assist feature includes the following:

Lane Change Assist

Rear Cross Traffic Alert

Blind Spot Detection

For more information, please visit your local MG dealer.

CONNECT AND CONTROL

The innovative MG iSMART system is a beautifully simple way to elevate your driving experience with your MG ZS Hybrid+.

The MG iSMART system integrates car and user communication, and the dedicated MG smartphone app helps you find your parked car, check its status and monitor fuel levels.

iSMART features include:

- Locking and unlocking the doors
- Finding your parked MG ZS Hybrid+
- Monitoring fuel levels, driving range and tyre pressure
- Travel planning
- Pre-starting climate to cool or heat cabin ahead of journey
- Pre-heating seats for cold mornings

A COLOUR
JUST FOR YOU

The MG ZS Hybrid+ looks as elegant as it feels, with a choice of six head-turning colours. There are standard, metallic and tri-coat options to look the part.

ARCTIC WHITE
STANDARD PAINT
