

MG5 EV LONG RANGE

Fully Electric | Fully Loaded

7 YEAR
WARRANTY

THE MG5 EV LONG RANGE

The UK's first fully electric, fully loaded estate car

The MG5 EV Long Range gives you more on every level. Whether you're taking off with the family or hitting the road on business, the UK's first fully electric, spacious and feature-filled estate gives you room for everything you need.

There's a host of features to make the journey easier – including our innovative MG Pilot driver assistance technology. One of the most reassuring features of the MG5 EV Long Range is our 7 year warranty, giving you peace of mind journey after journey.

AT A GLANCE

Big on space

We all need personal space, and the MG5 EV Long Range has plenty to offer.

Up to five passengers can travel in comfort, while the boot has ample room for everyone's luggage.

There's 479 litres with the load cover in place, or 578 litres with it retracted. Drop the 60:40 folding seat and you've got 1,367 litres for everything from large boxes and bikes to sports gear.

Big on features

The MG5 EV Long Range keeps you connected and in control.

The 10.25" colour touchscreen features Apple CarPlay™, Android Auto™, reversing camera and satellite navigation.

Not to mention MG Pilot, our high-tech suite of driver assistance technology to give you more confidence and safety on the road.

BUILT FOR BUSINESS OR LEISURE

The MG5 EV Long Range is designed for everyday life, but it's by no means ordinary. With a generous boot capacity and roomy cabin, your passengers can relax while it easily handles the load.

Whatever you need to transport, the MG5 EV Long Range takes it all in its stride. From suitcases to bulky boxes, musical instruments to double buggies, you can move more in one go. And if the load is larger than normal, just drop the back seats and take advantage of 1,367 litres of space.

The spacious boot still leaves room for back seat passengers, who can enjoy plenty of head and legroom, even behind a taller-than-average driver. In the front, you can get comfortable with driver's lumbar support, a six-way adjustable driver's, and four-way adjustable passenger seat.

On the SE there's fabric upholstery, while the Trophy comes with heated front seats and leather-style upholstery.

SMART FEATURES FOR A MORE SATISFYING DRIVE

Drive easier

Keyless entry and push button start make setting off simple. On the road, the 10.25" colour touchscreen puts DAB radio, Bluetooth, USB ports, satellite navigation, air conditioning, Apple CarPlay™ and Android Auto™ all at your fingertips - so you can keep track of the traffic in between your favourite podcasts or albums.

Apple CarPlay™ and Android Auto™ ready

Music, maps, messages, calls. You can tap into all the features of your smartphone on the go with safe and convenient Apple CarPlay™ and Android Auto™ functions.

Shift Effortlessly

Change from park to drive with a turn of our elegantly simple rotary gear selector. With auto start and stop, plus an electronic park brake, you can enjoy total control with minimum effort.

TECHNOLOGY TO EMPOWER

- MG Pilot
- Adaptive Cruise Control
- 10.25" colour touchscreen
- 7" colour driver information display
- Apple CarPlay™
- Android Auto™
- Satellite navigation
- USB ports
- Bluetooth
- iSmart user app
- Smart keyless entry
- Push button start
- Vehicle to Load charging
- 360° camera (Trophy model)

Drive safer with MG Pilot

Our advanced MG Pilot driver assistance technology gives you the added confidence of state-of-the-art warning and alert features. It includes Adaptive Cruise Control to maintain a safe distance from the car in front; as well as Active Emergency Braking, Lane Keep Assist, Traffic Jam Assist, and Intelligent High Beam Assist that automatically dips the headlights when they detect an oncoming vehicle.

Power up with Vehicle to Load

Our V2L technology gives you the freedom to power up other appliances away from home. Charge an electric bike on holiday, power an electric pump for your airbed or even plug in your laptop for remote working.

The supply is safely delivered with an optional cable and easily controlled through the 10.25" colour touchscreen on the dash.

360° vision

With the Trophy model, you always park in the clear with a 360° camera.

DRIVING DOWN RUNNING COSTS

Whether you're driving the family or on the road for business, you can look forward to low running costs with the MG5 EV Long Range.

Zero emissions means business and fleet buyers can benefit from a Benefit in Kind (BIK)* rate of just 2%. That means that company car drivers make big savings and employers save on associated National Insurance Contributions (NIC).

The MG5 EV Long Range is also currently exempt from Vehicle Excise Duty (VED), the London Congestion Charge and ULEZ rates. So you can enjoy your freedom, while you do your bit for the planet.

*The BIK rate is capped at 2% until 2025. All tax rates are subject to change by the UK Government.

AFTERCARE

7 year warranty

More peace of mind comes as standard with every MG. The MG5 EV Long Range offers the reassurance of our full 7 year or 80,000 mile warranty, whichever comes first. What's more, your battery is covered by a 7 year warranty. Our warranties ensures that expert MG technicians will always be able to keep your car in the best of health. They're also fully transferable to future owners.

MG Service Plans

To enjoy mile after mile of hassle-free motoring, you can avoid the worry of unexpected costs with an MG Service Plan. Your MG will be protected for up to 7 years with a mileage range of your choice. And it will have the care and attention of the MG authorised repairer network, offering genuine parts and factory trained staff.
